REMARKS

The Examiner's Amendment to the specification was not authorized by

Applicants. Moreover, the Examiner's Amendment to the specification is not acceptable

to Applicants. The above amendment to the specification returns the Summary of the

Invention heading back to its original location in the specification, as originally intended

by Applicants. The above amendment does not introduce any new matter. Entry of this

Amendment is respectfully requested.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136

is hereby made. Please charge any shortage in fees due in connection with the filing of

this paper, including extension of time fees, to Deposit Account 500417 and please credit

any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
